type: announce
publisher: yqy
date: 2011-10-23
content:
Governors of the prefectures had requested the tougher measures after seeing a s
urge in cases driven by the omicron variant.The southern island chain of Okinawa
, host to 70 percent of U.S. military facilities in Japan, has been the hardest
hit, in what appears to be the country ̄Çös sixth wave of the pandemic.The prefec
ture reported 1,414 new cases on Friday, a record and up from 981 on Thursday.Vi
deo: Beijing's national security law will move 'pretty fast' in Hong Kong, says
research firm (CNBC)PauseUnmuteHQCaptionsFullscreen ̄Ç£This number will likely st
ay high and steadily increase, ̄Ç¥ said Okinawa Governor Denny Tamaki, who has ha
rshly criticized infection controls at U.S. bases.Infections have also been on t
he rise in major metropolitan areas. Tokyo said it found 922 new cases on Friday
, the most since Sept. 15.Tokyo ̄Çös government is planning to strengthen counter
measures by directing restaurants to limit diners to groups of four, down from e
ight, the Kyodo news agency
